

# Gas Turbine World

## 2016-2025 Market Forecast

### Contents

|  |    |
|--|----|
| <b>1. Introduction</b>                               |    |
| 1.1 Disclaimers and Report Information.....          | 4  |
| 1.2 Segmentation of the IGT Market.....              | 5  |
| 1.3 Industry Acceptance.....                         | 6  |
| <b>2. Historical Perspective 2010-2015</b>           |    |
| 2.1 Market Orders by MW and Units.....               | 8  |
| 2.2 Major OEM Orders by MW and Units.....            | 9  |
| 2.3 Order Activity by MW, Units, Regions.....        | 10 |
| 2.4 Aero Sales by OEM and Model.....                 | 11 |
| 2.5 Heavy-Frame Sales by OEM and Model.....          | 12 |
| 2.6 Light Industrial Sales by OEM and Model.....     | 13 |
| <b>3. Ten-Year Outlook 2016-2025</b>                 |    |
| 3.1 Input and Methodology.....                       | 15 |
| 3.2 North America Market Drivers.....                | 16 |
| 3.3 Global Market Drivers.....                       | 17 |
| 3.4 Market Movement Analysis.....                    | 18 |
| 3.5 Market Segment EPU/PG Sector.....                | 19 |
| 3.6 Market Segment O&G Sector.....                   | 20 |
| 3.7 Major OEM Market Share and Value.....            | 21 |
| <b>4. Detailed Sector Outlook</b>                    |    |
| 4.1 Aero GT Models for O&G and EPU.....              | 23 |
| 4.2 Heavy-Frame Models for EPU.....                  | 24 |
| 4.3 Heavy-Frame Models for O&G.....                  | 25 |
| 4.4 Light Industrial GTs for O&G and EPU.....        | 26 |
| <b>5. New Unit Orders by OEM and Model 2016-2025</b> |    |
| 5.1 Power Generation Unit Orders.....                | 28 |
| 5.2 Oil & Gas Unit Orders.....                       | 29 |
| 5.3 PG and O&G Order Value.....                      | 30 |
| 5.4 Upside Power Generation Unit Orders.....         | 31 |
| 5.5 Upside Oil & Gas Unit Orders.....                | 32 |
| 5.6 Upside PG and O&G Order Value.....               | 33 |
| 5.7 Downside Power Generation Unit Orders.....       | 34 |
| 5.8 Downside Oil & Gas Unit Orders.....              | 35 |
| 5.9 Downside PG and O&G Order Value.....             | 36 |
